## Scientific Journal of International Black Sea University

### AIM and SCOPE

IBSUSJ is a scholarly refereed multi-disciplinary scientific journal publishing research papers in legal and social sciences, economics, business management, history, linguistics and literature, engineering, mathematics. IBSUSJ strives to be inclusive in scope, addressing topics and issues of significance to scholars and practitioners concerned with diverse aspects of related area. IBSUSJ publishes research employing a variety of methods and approaches, including (but not limited to) survey research, experimental designs, case studies, ethnographic observations and interviews, grounded theory, phenomenology, historical investigations, and narrative inquiry as well as articles that address theoretical and philosophical issues pertinent to relevant research area. IBSUSJ aims to stimulate a problem-oriented, critical approach to research and practice, with an increasing emphasis on inter-disciplinary and international perspectives.
